About DaVita Inc.

DaVita (NYSE: DVA) is a healthcare provider focused on transforming care delivery to improve quality of life for patients globally. As a comprehensive kidney care provider, DaVita has been a leader in clinical quality and innovation for 25 years. DaVita cares for patients at every stage and setting along their kidney health journey — from slowing the progression of kidney disease to helping support transplantation. This includes ensuring they are supported at home, in dialysis centers, in the hospital and in skilled nursing facilities. As of September 30, 2026, we provided dialysis services to a total of approximately 298,100 patients at 3,269 outpatient dialysis centers, of which 2,671 centers were located in the United States and 598 centers were located in 14 countries outside of the United States. DaVita has reduced hospitalizations, improved mortality, helped improve health access and worked collaboratively to propel the kidney care community to adopt a higher quality standard of care for all patients, everywhere.
