DaVita Center Updates: Severe Winter Weather Along Gulf Coast

As of Jan. 22, 2025

Severe winter weather is bringing heavy snow, sleet and freezing rain to the Gulf Coast and Southeast, with widespread impact expected.

DaVita's care teams across the region are working diligently to help keep patients, themselves and their families safe. While the situation changes regularly, updates on how DaVita centers have been affected by the storm will be shared here.

For the latest information, please call DaVita Guest Services at 1-800-400-8331.

Dial 9-1-1 if you need urgent medical care or emergency assistance.
