/C O R R E C T I O N -- DaVita, Inc./

In the news release, DaVita Calls 7% Convertible Notes, Authorizes Share Repurchase, issued earlier today by DaVita, Inc. over PRNewswire, we are advised by the company that the second graph, last sentence should read "Payment will be made on October 14, 2003 to holders who surrender their Notes on or prior to October 10, 2003," rather than "Payment will be made on October 13, 2003," as October 13 is a banking holiday.
