Each year, DaVita Kidney Care hosts PLM for its medical directors to learn about and discuss important issues that arise in patient care, practice management and clinical leadership, among other topics.

This year's keynote speaker, [Dr. Robert M. Wachter](#), professor and interim chairman of the Department of Medicine at the University of California, San Francisco, urged physicians to embrace the changing health care landscape.

"We are experiencing two transformational trends – the pressure to deliver high value care and digitization of the U.S. health care system," said Dr. Wachter. "Our goal is to figure out ways to deliver better, safer and more reliable care."
