DaVita Finalizes Acquisition of Mountain View Medical Group

Renowned independent physician group in Colorado Springs joins DaVita's medical group division

COLORADO SPRINGS, Colo., Feb. 1, 2017 /PRNewswire/ -- DaVita Inc. (NYSE: DVA), a leading independent medical group and leading provider of kidney care services, today announced closure of the acquisition of Mountain View Medical Group by one of its affiliated entities. Financial terms were not disclosed.

"Mountain View Medical Group is known throughout the Pikes Peak region for the high quality care it provides to the local community," said Mark Price, Colorado market president for DaVita's medical group division. "We're proud to have such a highly regarded medical group join DaVita, and together we look forward to expanding our ability to serve this community."

Mountain View Medical Group is an independent physician group in Colorado Springs with 50 physicians providing services that include family medicine, internal medicine, neurology, OB-GYN, pediatrics and podiatry. The group operates 14 medical office locations that care for more than 80,000 patients.

"Mountain View Medical Group is thrilled to be the newest addition to DaVita's medical group division, and we expect to accomplish great things together," said Mountain View Medical Group Board President Dr. Amy Owen. "Aligning with DaVita means we will have greater opportunities to continue providing the highest levels of care to our patients and their families."

About DaVita Inc.
DaVita Inc., a Fortune 500® company, is the parent company of DaVita Kidney Care and HealthCare Partners, a DaVita Medical Group. DaVita Kidney Care is a leading provider of kidney care in the United States, delivering dialysis services to patients with chronic kidney failure and end stage renal disease. As of September 30, 2016, DaVita Kidney Care operated or provided administrative services at 2,318 outpatient dialysis centers located in the United States serving approximately 186,000 patients. The company also operated 139 outpatient dialysis centers located in 11 countries outside the United States. HealthCare Partners manages and operates medical groups and affiliated physician networks in California, Nevada, New Mexico, Florida, Colorado and Washington in its pursuit to deliver excellent-quality health care in a dignified and compassionate manner. As of September 30, 2016 HealthCare Partners provided integrated care management for approximately 750,000 patients. For more information, please visit DaVita.com/about.
