DaVita Medical Insights Podcast Celebrates a Year of Physician-Led Discussions about Kidney Health

Subscribe today to stay up-to-date on current issues and trends in nephrology and health care

DENVER, April 20, 2018 /PRNewswire/ -- DaVita Kidney Care, a division of DaVita Inc. (NYSE: DVA), a leading provider in kidney care services, today celebrates one year of episodes on the DaVita Medical Insights podcast. The podcast, which launched in April 2017, provides a platform for the physician community to discuss patient care, clinical research, practice management and the evolving landscape of nephrology and health care.

The podcast recently featured Yolanda T. Becker, M.D., professor of surgery and director of kidney and pancreas transplantation at University of Chicago Medicine, and centered on kidney transplant advocacy to encourage Americans to register as living donors in support of National Donate Live Month.

Other episodes aired over the past year include and feature:

- **Kidney Transplant Advocacy and Innovations** – Gabriel Danovitch, M.D., medical director of the Kidney and Pancreas Transplant Program at the David Geffen School of Medicine at UCLA; and Allen R. Nissenson, M.D., FACP, chief medical officer for DaVita Kidney Care and emeritus professor of medicine, David Geffen School of Medicine at UCLA
- **Patient-Centered Care for Dialysis Patients** – Francesca Tentori, M.D., medical director of outcomes research for DaVita Kidney Care and adjunct instructor in medicine at Vanderbilt University
- **Reducing Hospitalizations through Individualized Care Plans** – Allen R. Nissenson, M.D., FACP, chief medical officer for DaVita Kidney Care
- **Using Telehealth to Improve Communication with Home Dialysis Patients** – Martin Schreiber, M.D., vice president of clinical affairs for DaVita Kidney Care's home dialysis
