About DaVita Inc.
DaVita is a Fortune 500® health care provider focused on transforming care delivery to improve quality of life for patients globally. The company is the largest provider of kidney care services in the U.S. and has been a leader in clinical quality and innovation for 20 years. Through DaVita Kidney Care, the company treats patients with chronic kidney failure and end stage renal disease. DaVita is committed to bold, patient-centric care models, implementing the latest technologies and moving toward integrated care offerings for all. Through these efforts, DaVita has also become the largest provider of home dialysis in the country. As of June 30, 2019, DaVita served 204,900 patients at 2,723 outpatient dialysis centers in the United States. The company also operated 248 outpatient dialysis centers in nine countries worldwide. DaVita has reduced hospitalizations, improved mortality, and worked collaboratively to propel the kidney care industry to adopt an equitable and high-quality standard of care for all patients, everywhere.
